Memorandum showing the several steps taken for the recovery of the arrears of Jodi of Mallimadali, Madalagiri taluk, prior to the date of the Deputy Commissioner's report upon which Government order G.O. 6200 — 1091 was issued —.

On August 1879, Thamanna and Ranjanolia, Jodidars of Mallimadali presented a Ragimanu to the Deputy Commissioner, Tumkur, resigning their right over the Drum Village to Government, owing to their inability to clear the Government arrears due on it since Fasli, aggregating to Rupees 964 — 10 — 8, on account of the devastated state of the Village and the unfavorable condition of the Jodidars, brought about by the famine of 1876 — 77 —. The Deputy Commissioner

Commissioner ordered thereon, that the [1] Village Chandal, on account of the arrears, be attached and taken under Government management or dakel and that a report as to what shall next be done in the matter should be called for from the Collector.

The latter reported that of the several Chaudharies by whom the Village was held, the majority of those present, proposed that a remission of one half of the arrears for three years may be granted to the Village, secured by Government to the extent of their share, that Chaudhari, the Memorialist, simply from his responsibility on the principle of Joint Zamindari Tenure to whom his share in the Village had been mortgaged, that the latter agreed to pay the Government arrears, if all the Zaildars who had

had mortgaged to him a share in the Village, enquired his rights entirely in his favour, that the arrears of Jodi amounting to a large sum, the question of allowing any remission was left to the Deputy Commissioner that arrangements were however made to keep the current years harvest under Government management, that a notice was served on the Jodidars and the attachment and execution, if ordered, would be duly attended to.

The Deputy Commissioner therefore ordered, that Fazlinamas could not be accepted, that if the Jodidars should clear the arrears for Sahdittara and Pramadi time would be granted for the arrears due for Kate and Edwara under the Civil Commissioners Proceedings, otherwise a notice of sale must be prepared and published. fifteen days

APPEAL

OF

Ranjundia Yodidar of Mallenahalli Maddagiri Talook,

IN MYSORE.

PREFERRED TO

HIS EXCELLENCY THE MOST HON'BLE THE

VICEROY AND GOVERNOR-GENERAL

OF INDIA IN COUNCIL.

Dated, Bangalore, May 1893.

SUBJECT.

States that his village of Jodi Mallenahalli was most unjustly resumed on the authority of the Mysore Chief Commissioner's Proceedings No. 6200-1—1091 dated 22nd January 1881, passed on the ill-considered motion of the Toomkur Deputy Commissioner who was made to believe the hypocritical reports to be the actual facts of the case as submitted to him by the Maddagiri Talook Amildar who was influenced by his Revenue Gumastah Seshagiri Rau to whom the said Jodi village had been mortgaged in about 1865, by the father of the Memorialist, when he was yet an infant; points out that the resumption was unlawful in as much as it was done when the Memorialist was a minor when there was no cause of action and his interest was guarded by the Court of Ward, and the Court had arranged for the payment of the arrears of Jodi and also that the local Government have paid no heed to any of his sbsequent representations; and, therefore begs, His Excellency in Council will be graciously pleased to consider the grounds of his Appeal and order the restoration of the village for reasons stated.

To

His Excellency the Most Hon'ble,
The Viceroy and Governor General,
Of India in Council,
CALCUTTA.

The Humble Memorial of Nanjundia, son of Sambia Jodidar of Mallenahalli, alias Chikka Sagara in Maddagiri Talook, Toomkur District in the Mysore Protected Native State, residing in the Town of MADDAGIRI.

MAY IT PLEASE YOUR GRACIOUS EXCELLENCY :—

To grant me permission to submit most respectfully this, my humble Memorial, praying for the redress of my grievances caused by the unjust resumption of my Jodi village of the aforementioned Mallenahalli or Chicka Sagara in the Maddagiri Talook under the authority of the then Mysore Chief Commissioner's Proceedings No. 6200-1—1091 dated 22nd January 1881, passed upon an incorrect, biassed, and unfounded report of the then Deputy Commissioner of the Toomkoor District. From the following facts your Excellency will be able to comprehend that the Local Government denied me that justice which my case fully merits and which I humbly solicit now from your Excellency's just, and merciful hands.

2. Before proceeding with the grounds of my appeal, I respectfully beg leave to narrate the history of my unfortunate case as briefly as the facts will allow.

3. In 1865, or thereabout my father Sambia borrowed money from one Seshagiri Rau, who was then the Maddagiri Talook Revenue Goomasta on mortgage with possession of the said Jodi Mallenahalli village and died before the redemption of the mortgage. The mortgagee, taking advantage of the minority of myself and the utter helplessness of my mother, a poor idiot widow, filed a suit against me represented by my mother in O. S. No. 77 of 1867, on the file of the Judicial Assistant's Court of the Toomkur District to recover money from the property mortgaged. But the Court pitiying the miserable state of myself, an ignorant minor and that of my mother an idiot widow, and observing the wily Plaintiff's aim to usurp the property, appointed a guardian in the person of my uncle and moved the Plaintiff to effect a compromise. Having had no other alternative then, the Plaintiff entered into an amicable settlement with the said guardian and the parties filed a Razinamah on 31st July 1869, the terms of which were :—

I. *That the Plaintiff should clear the Government Jodi every year.*

II. That the Plaintiff should enjoy the usufruct of the village and of the garden for a period of 18 years in full discharge and satisfaction of the debt due to himself amounting to Rs. 1807—13—9 inclusive of interest, charge of superintendence over the property and costs.

III. That on the 1st day of August 1887, when my minority ceases, the Plaintiff should restore to me and my mother the possession of the village and of the garden in their original good state.

IV. That the Plaintiff should, in the meantime keep furnishing the Court and my guardian annually with complete accounts of each year's Revenue realized in the said Jodi village.

Appendix B. 4. The Court upholding *the terms* of the Razinamah passed a decree dated 31st July 1869.

5. This disappointed the Plaintiff Seshagiri Rau much and faded his object of usurping the property. Nevertheless he lay in wait for another opportunity to overthrow me altogether which offered itself in the great Indian Famine of 1877 and 1878, when to his further advantage a new person having no technical experience was sent up as Amildar of the Maddagiri Talook. The Amildar who was a novice, was a mere tool in the hands of the Plaintiff, not only because that he was an experienced goomastah of his Talook office, capable of doing everything for him, but that he was also an able vakeel and a wealthy man of much influence and artifice.

6. As a matter of fact, the said Plaintiff Seshagiri Rau fully bent upon possessing my estate for himself at this favorable opportunity threw the Government Jodi of the village to fall into arrears for a couple of years during the famine, utilizing the usufructs thereof as usual and forming all records at the same time to force out the Amildar to act up to his suggestions screening all the pre-existing Judicial proceedings in the case.

7. While the wily Plaintiff was thus leaving no stone unturned to ruin me, ill-luck placed me in as disadvantageous a position as could be. For, my guardian died just when he could have been most useful to me, and I had none else to give me council as to what ought to be or caused to be done at that crisis. After Rendition, the Court which had passed the decree was abolished. My widowed mother, as already said was an idiot. With her I (then a minor of only 14 years old) had to live among my cousins who being ever hostile naturally took little or no care to guard and protect my interests, but on the contrary tried their best to accelerate my down-fall. Providentially, however, the Plaintiff Seshagiri Rau died in the meantime.

8. Though the malefactor was dead, yet the evil seeds he had sown did not fail to bear forth evil fruits. For, the Amildar who had connived with the Plaintiff while alive in all his underhand dealings, and had shaped all correspondence in favour of his view, could not turn a new leaf now that the Plaintiff was dead. Having thus no other go, he, the Amildar recommended B 5 the attachment and sale of my Jodi village on enquiry by the Deputy Commissioner of Toomkoor, whether the village should be taken on account of the arrears of Jodi under Government management or sold. This treacherous and prejudiced report of the Amildar was accredited by the learned Deputy Commissioner who recommended the same to Sir James Gordon the then Chief Commissioner and got the aforesaid Proceedings No. 6200-1—1091 dated 22nd January 1881 passed to my entire ruin.

Commissioner and his accredited and injudicious report to Sir James Gordon.

17. The Amildar could not be said to have been in darkness as to the existence of the *Civil Court's decree*, and that he acted *bonafide* in this case. If he was sincere and bent on doing justice to me, a minor, he would have as a local Officer inquired into and obtained the truth and proceeded against Plaintiff or against his movable properties as the law warrants it. On the other hand if he were ignorant, he would not have acted thus poste haste.

E 8. E 15. 18. Your Excellency will notice that in spite of my statements that "I am a minor and my share was decreed to Seshagiri Rao who has to remain in possession of it for 9 years more" the Amildar contrary to all provisions of law, justice and equity secured orders for the sale or resumption of my village.

19. Your Excellency will be graciously pleased further to observe that H. H the MahaRaja is disposed to give greater weight to the claims of my ryots who never appeared before him in preference to those of myself, the highly injured and unjustly debased party. *Apply for mere justice and nothing else.*

20 The said Proceedings of the Chief Commissioner No. 6200-1—1091 dated 22nd January 1881, being against.

C 8. (a) The Imparial Government's Notification Judicial No. 75 published by the Chief Commissioner of Mysore.

(b) The Minor's Act.

(c) The Madras Revenue Board Regulation X of 1831 prohibiting the sale of Estates belonging to Minors not in charge of Court of Wards.

(d) Regulation V of 1804 sec 12 Clause IV which is thus:—"the lands of incapacitated proprietors shall not be answerable for the payment of public revenue assessed thereon and if the net collections of any year should prove unequal to the discharge of the fixed assessment, the deficiency shall be made good by the surplus collections of the future years"

(e) The Rent Recovery Act II of 1864 section 28, which is thus:—"It shall be lawful for the Collector (Deputy Commissioner here) when attaching the land of a defaulter or at any time during such attachment to assume the management of the attached property."

I. And it being also further based on misrepresented facts, is entirely wrong and should be set aside.

II. There having accrued no cause of action against the village in 1881 when it being the ancestral property of the minor and the idiot, was in the hands of a guardian apparently in charge of the Plaintiff, and the Court having made other and reasonable provisions also for the payment of the Government Jodi, all cause of action was shifted to Plaintiff, and the order of the Chief Commissioner to attach and sell the village is therefore entirely wrong and should be reversed.

Plaintiff's movable properties under the order subjecting my village to attachment and sale and it

III. Under the said decree the property should have been placed in my hands on the 1st of August 1887, and my claims having commenced

on the said 1st August 1887, they are not barred but are within the Statute of Limitation under Cl. 121 of the Indian Limitation Act.

IV. The said order of the Chief Commissioner having been already partly set aside by the Dewan, it is almost repealed and should therefore be set aside. by your Excellency's former Order.

V. The Chief Commissioner's order being opposed to the Guardian and Wards Act of 1890, it should be set aside.

VI. The Chief Commissioner's order being opposed to all provisions of law, equity, reason, usages of the country and all the documentary evidences forthcoming is entirely wrong and should be set aside.

VII. The ryots of the village in question have clearly expressed their consent in a Mahazer dated 10th October 1891 to place themselves under me as heretofore, the alleged impediment cannot and ought not prevent the restoration prayed for.

21. Under these circumstances I earnestly implore your gracious Excellency to be pleased to cancel the said order of the Chief Commissioner and issue orders to restore the entire village to me.

I, as in duty bound.
Will Ever ~~X~~ Pray.

BANGALORE,
May 1893.

VIII. The completion of survey and settlement in the village could not with any sense of justice be urged as an impediment in as much as Bairapur and Kausanahalli which were also attached under the same authority as Mallenahalli were restored after Survey and Settlement had been likewise completed the Survey Rules themselves being Guide to Joidars and Government.

IX. The Government was entirely wrong in not giving compliance with my prayers to restore me my village although I repeatedly offered to clear the arrears of Jodi at once while Bairapur and Kausanahalli were restored on the Joidars mere promise to clear the balances due from their respective villages.

I. The Local Court have sadly failed to notice that the Proceedings of 10th November 1883, which was passed wantonly under the circumstances already shown with the sole purpose of prejudicing my claims or defeating my just cause; the same should not operate as law, or the Civil thereof should not have the force of Law —

Razinamah presented by the undersigned shareholders of Jodi Mallenahalli Village in Maddagiri Talook.

Dated Maddagiri 26th Agust 1879.

We tender this Razinamah for the aforesaid Jodi village for the following reasons;—

1. On account of the famine years of Dhtu and Eswara (1877-78 and 1878-79) this has become a deserted village.

2. During those years and upto date, we gave the ryots, in hopes that if their circumstances are improved the village will be brought to a better condition, as far as lie in our power Takavi amounts (contributions) as well to feed as to enable them to buy impliments of tillage and bullocks, but the village is going down from bad to worse and we are, on the other hand not only involved but have also lost all means of subsistance

3. In former times, this village was virtually granted to us on surva-manyem (free gift) but in Purnia's time, it was made Jodi the amount payable to Government being fixed at 110 Pagods, according to the Chada Beriz and confirmed to us.

4. During the Inam enquiry, the Inam Commissioner furnished a Patti (list) to say that the Revenue collections of the village is Rs. 470; of which Rs. 320 is the Jodi of the village due to Government and the balance *viz* Rs. 150 to be the Jodidar's share of the Revenues which he can enjoy paying a quit rent Rs. 19 anunally to Government.

5. While no revenues could be collected form the village, how was the amount of Inam to be utilized by the Jodidars and out of what were they to remit the amount of Jodi or of quit rent were matters not at all considered at the time.

6. From the time of the Inam enquiry, the amount of Jodi remains an uncollected balance against the village and year after year it remains an uncollected and irrecoverable heavy balance. We are deep in debts and are unable to clear the amount of the arrears of Jodi due to Government. The arrears of jodi due for the years of Dhatu' Eswara, and Bahudhanya have not been collected at all, from the village. We paid the amounts of Jodi as well as we can. Nevertheless a balance of Rs. 118—0—8 for Dhatu, Rs. 248—14—0 for Eswara Rs. 229—6—0 for Bahudhanya and Rs. 268—6—0 for the current year is still due. We cannot pay as we are deeply involved and we pray our circumstances may receive your favorable consideration and the village resumed by Government. If out of the village dry land, piece or pieces to the extent of our Inam income *viz* Rs. 150 be allowed us, we want nothing more and we shall enjoy it in peace praying at all times for the continuance and prosperity of the Government.

Petition presented by Panchangada Soobba bhatta residing in Maddagiri.

B[6] *Dated Maddagiri 2nd October* 1879.

After deducting what was already paid on account of the arrears of Jodi and quit-rent due from my 6 Annas share of the Village of Jodi Mallenahalli of Haveli Hobli, the balance due up to date is Rs. 240.

We the brothers *viz* Ammannammah, widow of Ramasesha batta, Soobbba butta (myself), and brother deceased Rama batta's son Sooba Rao, are the claimants of 6 As share of the Village. We were divided but this Village and few other Manyem lands are not yet divided. The produces only are being divided amongst us. During the famine years of Dhatu, Rama bhatta died. There was no income from the Village since, as that was in a ruinous condition. As the deceased Rama bhatta contracted debts, his creditors filed suits, obtained decrees and tried to sell the Village in execution to the execut of Rama bhatta's share. I futher understand that Rama bhatta's house was sold 2 months ago. His share in the Village of Timlapur of Puravar Hobli which we enjoy also, was sold on the 29th September last. Very large arrears being still due to Goverement from Jodi Mallenahalli and other minor Inams, I am afraid that the Government might question the other share-holders why they failed to report to Government when Rama bhatta's share was being sold Hence the report. If Rama bhatta's share in the Village of Timlapura is gone,

there is no other property by which the Government arrears against him can be cleared. They (his widow and son) have left Mallenahalli and are living in Paugada to avoid the demands of the creditors and of the Government. I have reported facts as they exist at present.

Maddagiri Talook Cutcheri

Dated Maddagiri 25th November 1879

Statement of Shamanna alias Nanjundappa. Jodidar of Mallenahalli residing in kasbah Maddagiri.

Question—Yourself and Nanjundiah have tendered a Razinama to the village of Jodi Mallenahalli. Are you the sole proprietors or are there other share holders?

Answer—There are other share-holders also. I have but 2as share in the village Nanjundiah and 3 other share-hotders who have also tendered razinamah, have 0—3—6 share. Our Razinamah is to the extent of our shares and not to the whole village. Besides, Nanjundia son of Sambia has 0—3—6 share and soobbabhatta and 3 others possess 6as share.

2. Why did you then tender your razinamah now?

As the village was granted on chada Berize system (a system of fixing Government assessment) by fixing Rs. 320 as Jodi while we actually enjoyed it as khayem goota to the time of Inam settlement, we were called upon to furnish a measurement (Pai mayishi) of the village which we submitted. Instead of fixing assessment on a cultivable portion of the village lands, and levying quit-rent thereon hills and hillocks, unarable and waste lands, all have been taken to account and Rs. 170 levied besides Rs. 29 as the quit rent and local fund leaving Rs. 150 only as the share of the Jodidar. Moreover we hear tank fund, is likely to be levied this year. Since, the additional sums gradually introduced and levyed this year forms a heavyburden on the revenues of the village which should be lightened if not cancelled altogether. There was a breached tank belonging to our village, which in 1862, the Amildar Mr. Arunachela Moodliar repaired and eventually attached to Sambonahalli neighbouring Government village, in spite of our hard contention. By raising the said tank bund and the sluice, our villagelands to a considerable extent is merged. The tank is within our own boundaries. The Government shut our mouths then by proposing a condition to us that water to irrigate $6\frac{1}{2}$ candies of land in our holding will be, supplied if we give up fighting with Government and the sluice will never be raised at all. Under the virtue of this condition $6\frac{1}{2}$ candies of our own land is yet supplied with water. But without any regard to former promisses and conditions, the sluice was raised in 1871, in spite of our contentions, but as it seemed, a little matter none heeded. The rise of the sluice has deprived us of 4 candies of our best land. Our interest was thus highly damaged. Under orders from hoozoor Mr. Venket Narniengar reported on the subject matter of our complaint. Nothing was done to this day. Land in exchange of that merged should be allowed us. During the famine years of Dhatu and

Eeswara ryots either deserted the village or died. Notwithstanding we gave considerable sums as Takavi involving ourselves in debts and great efforts to maintain them. Our circumstances were quite crippled but yet ruin spread fast into the Village like wild fire. If a remmission of half the sum out of the arrears of Jodi at present due to Government from our village is made, we pay up the other half at once, and we will continue to pay up the Jodi by instalments hereafter year by year under the old rate. If on the contrary, payment of sum or in other words clearing of arrears is insisted on we have no means whatever. In that case our Razinama already tendered may be approved and my share in the village resumed by Government.

Answer—I and my brothers possess 6 As. share in the village. I am not individually responsible for any loss or gain as to their shares. Mine is but 2 As. share. The famine year of Dhatu has quite reduced us. If a remission of half the arrears due to Government upon my share of the village is made, I pay the other half at once under the old rate of Jodi, and will continue to pay up the same hereafter year by year. Examination of Nanjundiah son of Sambia, Jodidar of Mallenahalli in Maddagiri.

Q. Hear the (reading) Razinama tendered by Shamanna and Nanjundia to Jodi Mallenahalli village, What have you to state in the matter?

A I have 3½ As share in the village. It is not in my enjoyment. My father, while alive, had mortgaged it to one Revenue goomastah Seshagiri Rau for debts due, and it has yet to remain in his possession for a further period of 9 years more. At present he alone is responsible for its loss or gain and I can do nothing in this matter.

Dated 25th November 1879.

Q. Hear the statement of Nanjundia, son of Sambia Jodidar of Mallenahelli village. He (Nanjundia) says that the village is mortgaged to you. What do you say in the matter.

A. Besides Sambia's son Nanjundia's share being mortgaged, I have 3 As share belonging to Shamanna alias Nanjundabhatta and 0—3—6 share belonging to Nanjundia grand son of Kapinipati Shastri who has just tendered his resignation also mortgaged to me. In the event of these gentlemen making me alone responsible for all loss and gain as regards their respective shares which are mortgaged to me, I have no objection to hold myself liable for all the arrears due from the village. If they (shareholders) give up their respective shares in my favor, I would clear the balance due to Government. Government knows fully well that the past 2 were the hard famine years. If the Government so desires, I will clear the arrears by 4 instalments and will also duly pay the amount of Jodi due for the currant year by instalments.

B[11] **Report of the Amildar of Maddagiri Talook.**

Dated 2nd December 1879.

To

The Deputy Commissioner,
Toomkoor.

In reply to No. 189, calling for an explanatory report in the matter of Razinamas tendered by Shamanna and Nanjundia Jodidars of Mallenahalli village of this Talook, I submit that Shamanna who just resigned holds 3 Annas share in the Jodi village and states that, owing on one hand to the late famine, the village is desolated and on the other, the quit-rent and other sums levied by Government have risen too high and he has therefore resigned to the extent of his share. He further states that if a remission of one half of the arrears of Jodi due since 3 years is allowed, he will clear the balance of the arrears. Otherwise, the village to the extent of his share might be resumed by Government. This individual's share also is mortgaged to the Revenue goomastah Seshagiri Rao.

Nanjundiah is one of the 3 share-holders of 3 As. and 6 pie share in the village, and has resigned. Whether his resignation relates to the extent of his own

share or all shares are included cannot say. At present he is not in the village. He his reported to have gone to Nanjingode. The other 2 share-holders being absent at Mysore, cannot be examined. The shares of these individuals also are mortgaged to the aforesaid Seshagiri Rao.

Nanjundiah son of Sambiah states that, his share of the village being also mortgaged, the said Seshagiri Rau alone is responsible for all loss and gain relating to it.

There is another Soobb bhatta and 2 others holding 6 As. share in the village. This Soobbabhatta, the 2 As. share-holder of these, states that if a remission of one half of the arrears of Jodi is allowed, he will pay up the other half at once, and continue to pay the Government Jodi punctually in future, but should his prayers be not granted, the village to the extent of his share might be resumed by Government. The other 2 individuals being absent at Paugada and other places cannot be examined.

The mortgagee Revenue goomasta Seshagiri Rau, in his examination, admits the share being mortgaged as said above and if, in the event of the share-holders giving up all their claims in his favor and making him liable for loss or gain, he is ready to clear the Government arrears; but the amount being too high, he will pay off the amount due in 4 instalments and as regards the current years Jodi, he shall pay by instalments (khistbandi).

I have personally seen the village. Owing to the late famine, it is lying desolate. Prior to famine, this village contained 43 houses with 187 population. There are but 25 houses and 74 population at present. At all events, the Jodidars surely gave the ryots Takavi and other pecuniary aids, yet whatever help was rendered, it was of no use. It is true that the Jodidars sustained immense loss. The village is held by 9 share-holders. Several of those present here, pray that a remission of half the arrears due may be granted, or urge that the Government may resume the village to the extent of their shares. 3 years arrears amount to 1000 Rs. which is due from the village as Jodi. As to allowing remission prayed for, it is your pleasure,

This year, half the lands are under cultivation. I have arranged to reap the present years harvest under Government in the presence of Jodidars. Under Circular of 1891 notice was served on them. Attachment and execution, if ordered will be duly attended to.

The village is not surveyed. On examining the ryots in the village, they say if Nos. are separated and given, they shall cultivate.

The Revenue goomasta Seshagiri Rau has in the village 10 As share mortgaged to him. He says if the village is attached and sold, he will buy the whole, and he will clear the standing arrears in 4 instalments if the Government so permits him, and as to the current years Jodi he says he will duly pay by instalments. Orders are awaited as to how to proceed in the matter.

There are applicants to take up the village on contract and pay the Jodi year by year; but if such as these are called upon to clear the standing arrears,

they decline to do so. As the mortagee holds 10 As share already, it is likely he will buy the village at the sale if regular attachment and sale is enforced under the rules.

The village consists of minor Inams as shown in the enclosed list. Statement and other records are also appended.

Report on the complaint made by the Jodidar Shamannah regarding "water merged land" with the statements will follow. Previous references in the matter are being looked into.

APPENDIX.

To

K, SESHADRI IYER Esq., B. A. B. L. and C. S. I.
Dewan for the Government of
His Highness the Maha Raja of Mysore.

D¹ The Humble Petition of Nanjundia one of your Dependants and the son of Sambia deceased Jodidar of Mallenahalli, Kasba Hobli Maddagiri Talook in the District of Tumkur.

MOST HUMBLY SHOWETH.

The aforesaid Jodi Mallenahalli village consists of 4 vratty (free) lands. Of which the Petitioner owns one. Owing to dearth of Dhatu and Eeswara years, the amount of Jodi fell in arrears, and the other Vrittidars exclusive of the Petitioner, unable to meet demands both from Government and other creditors, presented Rajinamahs in the year Pramadi tendering the village to Government.

On account of the Petitioner's father's debts one Seshagiri Rao the Revenue Goomastah of Maddagiri, filed a Civil Suit subsequent to the Petitioner's father's demise. Petitioner then being a minor, the Court decreed that the Plaintiff should have the possession of the Defendant's share of the Jodi village with the garden situated therein to enjoy the usufruct of the village and of the garden for a period of 18 years in full discharge of the debt due to Plaintiff inclusive of interest and costs and that the Plaintiff shall restore to the 1st and 2nd Defendants the possession of the village with the garden in the order in which it was when he took possession of them. The Estate should have been handed over to the Petitioner's enjoyment in the Parthiva year under the decree but the garden dried up during the famine. The demands of creditors for debts due, and of the Government for arrears of Jodi, both overtaking them at the same time, naturally suggested the Petitioner's co-sharers to adopt a course to get clear off both, and that course was to give up the village to Government. All of a sudden, the Petitioner, an unclaimed minor was called on to offer his reply to the unexpected sharp-demands for the arrears of Jodi that if the hypothecatee does not clear the arrears of Jodi, Seshagiri Rao might do as he pleased. For these reasons, the Petitioner's share of the village was also merged to Government. Petitioner is void of all means of subsistance, and has no home. His difficulties are inexpressible, and his prayers are laid at your benign feet.

The Petitiener most earnestly prays that the records regarding the village as well as the above reasons may be considered together, and out of the revenue realized from the time the village was taken charge of by the Government, deduct the amount of Jodi, set off the balance against the arrears due thereon and restore the village to Petitionor after all and every encumbrance has been cleared outright.

The right of Pateli may also be conferred on the Petitioner.

The Petitioner's right to the village and the post of Pateli may receive a fair consideration at your kind hands.

The Humble Memorial of Nanjundia, son of Sambia deceased Jodidar of Mallenahalli Kasba Hobli Maddagiri Taluk.

MOST HUMBLY SHEWETH.

With reference to an endorsement No. 311 dated 7th June 1890 intimating that the Petitioner's Memorial dated 27th May praying for the restoration of the Jodi Mallenahalli village which the Government resumed on account of arrears of Revenue due, is referred to the Deputy Commissioner for a detailed report. The Deputy Commissioner to whom the Petitioner paid a visit, replied verbally to say that the detailed report called for has been submitted.

The main features of the case deserving of your honor's consideration are:-

The Memorialist's father Sambiah, uncle Kapanipathi Sastri, consin Nanjunda Bhatta alias Shamanna, have each borrowed Rs. 500, from the Revenue goomastah Seshagiri Rao of Maddagiri hypothecating their respective shares and now the shares have been given up to his charge. In the year Akshaiya, Sambia the Memorialist's father died and the said Seshagiri Rao filed a Suit in 1869, in the Court of the Judicial Assistant Commissioner of Tumkur District. The Court awarded a Decree that the Plaintiff should enjoy 3 Annas 6 pie share of the Memorialist and the arecanut garden of the village for a term of 18 years, under the Ilibhogyem tenure (a system of contract in which the borrowers estate is made over to the money lender on condition that excluding interest and all the other incidental outlays, the surplus to be credited towards the principal amount lent,) paying the Jodi amount annually into the Government and by the close of the 18th year, the debts will have been fully cleared when the Plaintiff should restore the village and the garden to the Memorialist. In the years of Dhatu and Eeswara there was famine visition in the Province. Then there was found arrears of Jodi due from the village. The other share-holders deep in debt and involved in the Government demand at the sametime, agreed to relinquish the village to the extent of their shares in favor of the Plaintiff Seshagiri Rao whose over-anxiety to possess the entire village was marred by the above Decree which merely directed that Sambia's share of the village should be relinquished to his son at the close of the 18th year. Somehow or other Seshagiri Rao tried to get possession of the entire village including Soobba Bhatt's share. Determined as the Plaintiff was, an opportunity offered itself to him. The Plainliff was the Revenue goomastah of the Talook, and as such exercised his influence and stratagem to his advantage. Mr. B. Gangiah was then the Amildar of the Taluk. He was a mere tool in the hands of his subordinates. Seshagiri Rao was the best of his type. He was both rich and influential. Gangia feared than esteemed him. The Amildar ought not and could not refuse any suggestions which Seshagiri Rao threw in his way regarding the Petitioner's Jodi village. Seshagiri Rao aimed at the entire village being sold for the arrears of Jodi, and in the auction sale securing it for himself free of all incumbrances. For this purpose he moved the Amildar to set up the village for sale, shaping all correspondences to favor his view. The

Amildar Gangiah failed to consider that under the above decree of the Judicial Assistant Commissioner Seshrgiri Rao was bound to clear the Governmet arrears. Nor did this circumstance, legetimate as it was, and deserving of the serious attention, induce the then Deputy Commissioner to form any equitable view in the case. Petitioner was a minor. The Memorialist's cousins, whom the said Seshagiri Rao threatened, connived at his treacherous view and instead of directly denouncing their respective shares of the village in his favor, apparently tendered their Razinamahs under some pretext or other. But God willed otherwise. God smote the said Seshagiri Rao with death long before the village was set up to sale, his object was thus not realized. The Memorialist's father had raised 3 gardens and helped his cousins by giving one to each. They returned this generosity of the father by putting his son the Memorialist to immense loss. The Memorialist, in the 5th year of his age lost his father, and in satisfaction of debts the father contracted, the Memorialist's ancestral house and farm were all put up to Court sale. With no ostensible means of livelihood, it was very very hard with the Memorialist and his widowed mother to pull on during the famine years. The Memorialist would earnestly crave your Honor to be pleased to restore the entire village of Mallenahalli to him. His family had enjoyed it from time immemorial. The arears of Jodi may be cleared out of the village annual revenue collections realized after the village was placed in charge of the Government excluding of course all the incidental expenses and the amount of the annual Jodi. Should there yet remain any uncleared balance, the Memorialist will readily clear it up. If in your honors opinion, the entire village could not be restored, and the Government would go in shares with him in the village he, as solicited already, prays that the post of Potel of the village may be conferred on him. The present incumbent's petition declining the post in favor of the Memorialist had been fully gone into. The enclosures consist of copies of the Registerdar Potel's petition, his statement, his co-sharers agreement to the same effect, the Amildar's Arzee, the General Assistant Commissioner's docket, and the Dyputy Commissioner's order thereon submitted for ready reference.

Besides the records referred to in the Memorialist's former petitions, he most humbly craves these exhibits may also be perused by your honor. He crave's also for the restoration of the village with all its rights and emoluments and thereby save him from further difficulties and embarrassments.

Appellant. *V. S.* *Respondent.*

Nanjundia of Mallenahalli,
Maddagiri Taluk, Tumkur District.

DECISION No.

Petitioner was a vrittidar in the Jodi village of Mallenahalli. The village fell into arrear, was exposed for sale in auction, and there having been no bid was resumed by Government in January 1881. Petitioner states that his share had been mortgaged and the mortgagee failed to pay the Jodi. On this ground he requests that his share may be restored to him.

2. He also requests that he may be appointed Patail of the village.

The present Patail Madulare Gowda and his brother are willing to give up the office to Petitioner, who is a Police Constable, but the Amildar refused to appoint Petitioner, as the office is hereditary and the future heirs of the present man may object.

The Petitioner will be informed that the village or vritti properly resumed so long ago as 1881 cannot be now restored and that his request for office of Patel cannot be accepted as he has no right whatever to it.

The Humble Petition of Nanjundia son of Sambiah Jodidar of Mallenahalli Maddagiri Taluk Toomkoor District. Toomkur.

MOST HUMBLY SHEWETH

With reference to the order intimating that the village was resumed by Government so early as 1881, and it cannot be made a Jodi now, dated Thursday the 13th September last in reply to the Petitioner's representation that the Jodi Mallenahalli village was in the enjoyment of the Petitioner's family from time immemorial but the Government resumed it when the Petitioner was a minor and that it should therefore be now restored to him.

That on the day of hearing, the Petitioner solicited an adjournment with a view to enable himself to lay before the Durbar all references that are in favor of his contention, but they were as strictly refused as the copies of all the previous records or correspondences between the Deputy Commissioner and the Local Government were refused before hand. The records bear out that the Petitioner is in a very impoverished condition. That he is the individual whom the gruel of a $\frac{1}{4}$ lb of rice ration doled out from the famine Kitchens supported. That he is from a family known to be in a pretty fair circumstances but now quite reduced. In the

5th year of his age, the Petitioner lost his father, and all his properties being looted out by his cousins, he was put to difficulties to describe which these pages are not enough. The Jodi villages of Kamsanahalli and Bairapura were both resumed by Government in the same order as Mallenahalli, but that under mere promisses of clearing the arrears of Jodi due to Government from the Jodidars, they were released from attachment. Like Mallenahalli those 2 villages had undergone the ordeal of Mojni (measurement). The order No. 4442—307 dated 29th August 1881, releases Bairapura and No 4439—306 Kamsanahalli. The Petitioner's co-sharers raised money upon their own shares to undermine the Petitioner or to the utter loss of the village in order to improve their private and personal estates in the meantime. The Decree No. 77 of 1869 on the file of the Judicial Assistant Commissioner of Tumkur District holds the Plaintiff Seshagiri Rao alone to be the party responsible to pay the Jodi amount but he is inclined to clear it if the proprietary rights of the village were relinquished in his favor. The records with the proceedings, if referred to, will enlighten your gracious honor as to the trick played from one end to the other in the matter of this contension and they are appended for ready reference. The Petitioner prays that the records relating to the order of release of the said 2 villages of Bairapur and Kamsanahalli and the English record relating to their settlements may be called for and persued. From the time Mallenahalli was resumed by Government, the Revenue realized from the village upto date clears the arrears due from the village with the current interest and charge of supervision leaving a balance of Rs. 573—10—11 yet due to Government, as per list appended. The Petitioner solicits your honor to be graciously pleased to institute a re-enquiry into the case, to allow him also to clear the standing arrears at present due, to remove the order of attachment, to restore him to his right and save him from shame and starvation.

APPENDIX.

To

His Highness the Maharajah Sri Chamarajendra Wadier Bahadur G. C. S. I. The Maharaja of Mysore.

E'

The Humble Memorial of Nanjundia, son of Samlia Jodidar of Mallenahalli Maddagiri Taluk, in the District of Tumkur.

MAY IT PLEASE YOUR HIGHNESS.

The Memorialist's case regarding the village of Jodi Mallenahalli which his family held and enjoyed from time immemorial was before the Councillors, but when the case was called on, the material papers and references not forthcoming with the Memorialist owing to singular accident which happened to the Memorialist at the time, he lost his case. Weak as his case was rendered by the decision passed by the Councillors upon one sided view, he could not sufficiently state before Your Highness' august Throne the troubles and difficulties he was subjected to these past 12 months for attaining his high wish—the possession of the ancestral Jodi Mallena halli village.

Of the nine villages attached then by the single order, this alone is in charge of the Government all the rest having been restored. Besides the above only ground for releasing the Memorialist's village, there are graver grounds still. The Proceedings No. 271, dated 15th November 1883, forms the basis for the release. Jodi Mallenahalli Kamsanhalli and Bairapura referred to in the latter part of the enclosed records were resumed surveyed, and settled by the Government. But the latter 2 villages viz; Kamnsauahalli and Bairapura were restored to the Jodidars on payment of the arrears of Jodi. The Councillors unaware of those villages being restored already to the owners were led to the mistaken impression that should they sanction the restoration of Mallenahalli village, restoration of the other 2 villages will have to be ordered also. Under such as these mistaken ideas the Councillors have passed this unsound Judgment in the Petitioner's case. The records now lay bear that those villages have been restored and are enjoyed by owners long since. The Memorialist applied for a copy of that order but was refused as the enclosed Endorsement will show. If such is the case, what can the poor Memorialist do, it is for Your Highness to conceive and consider. The Government have from the beginning imposed upon the Memorialist. Should Your Highness be pleased to refer to the Civil Court's decree aforesaid, that confirms the Memorialist's assertion that he had been imposed upon.

In the 5th year of his age, the Memorialist's father died and all his properties were sold in satisfaction of his debts, a fact which he has fully described in his Memorials dated 4th November 1890 (vide printed copy already submitted).

Deducting interest for the arrears due to Government, the superintending charge, and the current Jodi out of the mesne profits Rs. 573—10—11 will be clearly due to Government which the Memorialist is ready to pay at once. Your Highness may be graciously pleased to direct that the balance now offered may be received and the village restored to him, that he may possess his ancestral estate and live in peace there always praying the Almighty to shower the best of his benedictions on Your Highness, family and the blessed issues.

If the Memorialist is granted an opportunity he can explain who the donor was, how or why and on what obligation the estate was granted originally on manyem tenure. A sovereign is both a father and mother, a visible and moving God. Thus say the sages of yore. Such as your Highneps is, the Memorialist throws himself at the mercy of Your Throne and prays that he be saved from the present grievances.

16th April 1891. The Memorialist as in duty bound Will Ever Pray.—

Camp at Ooty.

E² A conversation which took place on the 30th of April, 1891 between K. Seshadri Iyer Esq. B. A. B. L. and C. S. I. the Dewan for the Government of His Highness the Maharaja of Mysore and Nanjundia son of Sambiah Jodidar of Mallenahalli Maddagiri Taluk in the presence of Mr. C. Srinivasiengar, Sessions' Judge of Mysore regarding the Jodi Mallenahalli village.

The Devan observed that the villages resumed have been restored though after or 4 or 5 years but this man (referring to the Memorialist) slept over his claims for 10 years and has now come in.

The Memorialists Reply— The Memorialist was a minor when the village was resumed and under the Judicial Assistant Court's decree, the village should have been left to his undisturbed possession only 3 years ago. Under that decree, the Government had no cause of action. in as much as the decree directed Seshagiri Rao to pay Government Jodi and enjoy it till his debt was paid off. If Seshagiri Rao failed to pay the Jodi, the Government should have proceeded against his personal properties but not against the trust property. The Government is wrong in attaching and selling the minors property, and that too for the fault of the trustee. The resumption is as unjust as opposed to the conditions set forth in the said decree. Government passed no order to supercede the said decree, or to set it at nought. The decree was therefore alive when the resumption was ordered. The resumption is therefore based on no solid foundation, is opposed to law and equity. But the resumption having taken place during the minority of the Petitioner, the Government having blindly sanctioned it he is fighting for it ever since he attained his majority after collecting all the material papers in connection with the subject matter: and under these circumstances he earnestly solicits your honor to restore the village to him and thereby crown your fame.

Devan— The village might have improved and the Government might have located ryots there and might have spent money to improve irrigation works and the revenues increased also and you might have come in now on this account.

Memorialist— The Government have never brought a single new ryot to live in the village. All are old ryots. Nor have the Government improved the village, nor spent a pie for the irrigation works,. No additional Revenue is levied. The Revenue is the same as it was a century ago. Then the village was under the Batayi tenure as also the garden lands. The arecanut alone yielded Rs. 300. Famine desolated the village. The wells whose costs were Rs. 500 with the garden lands and the personal holdings of the Jodidar below Tanks, which were self-acquired were sold very low say Rs. 30 or 40 and are in the hands of others now *i. e.* in the holdings of ryots.

D. Orders were passed to say that any lands in the personal holdings of Jodidars might be retained by them without subjecting such to sale, and that other Nos. also if Jodidars like, might be retained by them.

M. This fact was not clear enough. The Government goomastahs and others took up several Nos. and sold them eventually to ryots.

D. If the village is at the present restored, you might insist on the ryots who at present hold the same on fixed Candayem, to give you vara and if they complain, the Government cannot interfere. So it may happen.

M. This cannot be now. Lands in the holdings of ryots will be confirmed to them under the Survey Rules. Candayem will be collected from them, and paying off the Govern-

ment Jodi the Balance will be appropriated by him, and any small uncultivated portion here and there will be brought also under self cultivation. A ryot will not be deprived of his right to land.

D. If the Ryots agree to the village being restored to you the Government might arrange to pass orders.

M. The ryots agree to it. They do not object if their Candayem lands are unintered with.

D. A Jodidar of a village in the Gubbi Talook, informed that ryots do agree to the village being restored to him but has never shown his face up to date. The Ryots complained from that village.

M. All the ryots of the Petitioner's village are those brought on by his ancestors They do not go against him or his family, and they have no idea to cross him or any one of them.

D. There are minor shareholders and you may fall out with them and they might dissent. Very likely it happens so.

M. None at present, when requisitions were made to the minor share-holders for helping the Memorialist to fight out the case, they neither contributed in money nor in the troubles and privations declining all right in favor of the Memorialist. They have one and all tendered Razinamah's to Government already. Their claims are therefore estopped. In the management of the village, the conditions the Government might have entered into, if any, will be strictly adhered to. The Petitioner prays for the restoration of the village.

D. The Memorial and the record presented to His Highness will be before me: as soon as that comes I will issue orders. You need not wait here but may go away.

Certified that this converstation took place between me and the Devan Bahadur.

The Humble Memorial of Nanjundia, son of Sambia Jodidar of Maddagiri Taluk District of Tumkur.

MAY IT PLEASE YOUR GRACIOUS HIGHNESS.

In his tender age, the Memorialist lost his father and was subjected to unheard of difficulties. The wily Revenue Goomastah Seshagiri Rao fearing that he will have to give up the village in favor of the Memorialist under the decree of the Civil Court with-held payment of the Jodi though the decree bound him to pay it himself as long as the village remained in his holdting, so that the Government may attach and sell the village and himself buy or more appropriately usurp it himself. With such as these views, he so framed the records as to suit his motives. Whether the Amilder Gangiah humoured it is for your Highnes to conceive and consider. It is enough for the Memorialist to confine to narrate the fact. The said Seshagiri Rao however died before the village was set up to sale and the Government resumed it. The records will bear out the Memorialist's assertion and the co-sharers duplicity will also be clear from them.

1. On the 6th of April he submitted in a Registered cover a printed Memorial as per receipt herewith put up.

2. The facts of the case are exactly in bearing with the Proceedings No. 271 dated 15th November 1883. The case is an equitable one.

3. On the virtue of the Memorialist's forefathers, being the donees, constructed wells, tanks, and reservoers at enormous expenses here for which the Government spent not a pie.

4. In one and the same order, and along with this village, Kamsanahalli and Bairapura were also attached, they were also surveyed and settled and a remission granted to arrears of Jodi, but they were restored to their respective owners.

5. Under the Civil Court's decree the memorialist should have come by the possession of village only 3 years ago. Until then neither the martgagee Seshagiri Rao nor the Government had any cause of action against the minor Petitioner, all cause of acction being for the Government against the said Sheshagiri Row.

6. As regards the Memorialist's village lands being rented out to ryots by Government, he will not only strictly confine to the principals laid down in the Revenue Rules but also pay the Jodi as heretofore.

7. The arrears of Jodi *viz.* Rs. 573—10—11 which is still due, the Memorialist agrees to pay it into Government at once. He prays that the village which was attached to his family from time immemorial being acquired by his forefathers, may be restored to him.

8. That the Memorialist fallowed the camp to Shringeri and Ooty. His sufferings for want of food and covering in his circuitous excurtions along with your Highness' Camp threw him into high fever under which he is at present ailing. During this period his sufferings cannot be described in this small page here. His purse had run out. He was likely to close his earthly career, but was saved by the mercy of that on Almighty who watches the actions of all and every one.

Should the case be opened again in Review, Your Highness will be able to see clearly how unfairly his unfortunate case was dealt with all during his minority, when all his voice was stifled by the clamors of self interested individuals whose only aim was to better themselves at his ruin.

The Memorialist in conclusion prays Your Highness to be graciously pleased to restore the village to him.

E[illegible] In the matter of a Memorial addressed to His Highness the Maharaja by Nanjundia, Son of Sambiah of Mallenahalli, Maddagiri Talook dated 15th April 1891

His Highness the Maharaja has been pleased to pass the following order.

"There are no grounds for any interference with the orders already passed refusing to cencel the resumption in 1831 of Petitioner's share of the Jodi village of Mallenahalli. The village has since been surveyed and settled and it would be unjust to the Ryots to restore it now in whole or in part to the Petitioner or his co-sharers.

From

Nanjundiah son of Sambiah Jodidar.

GENTLEMEN :—

My contention regarding our village of Mallenahalli since a year and a half is rendered useless. My expenses in this case, having amounted to Rs, 365 have involved me. The trips I had heretofore on this account was from Shringeri down to Ooty a distance of 2 thousand miles or upwards have so impaired my health that my return to my native home seemed doubtful. Now that I have returned is a matter of wonder. You saw with your own eyes that I myself and my mother have no house to live in and no means of subsistance and we are put to extreme difficulties. You have other Jodies, Maniem lands in Timlapur, and Chikkanahalli to keep yourself decently and my several letters and personal requests to help me have not received any attention from you. Instead of coming forward to help me though not to contend, you keep quiet.

If His Highness the Maha Raja Shri Chama Rajendra wader Bahadur's Throne is approached, I hope some good might come out of it. Pray God. please take courage, and help me in monitary matters. I am completely broken down. By relieving me from difficulties, I will be enabled to persist in my contention regarding the village. Pay attention to your legitimate claims. We should not sleep over them. Share the expenses along with me and as to fighting for our claims let them be left for me alone. The expenses can be adjusted by and bye. pray attach your reply to this letter with a full expression of your opinion as to presenting ourselves at the feet of the Throne of His Highness the Maha Raja.

15—7—91

Yours very truly and affectionately.
(Signed) S. NANJUNDIA.

1st Reply

I can give nothing. Much has been already spent and cannot possibly help you in money and enable you in your further contention. If the Government is gracious enough to restore the village to you, I do not want any share out of it. You can enjoy it alone and live happily therefrom.

(Signed) SOOBRAYAPPAH.
SON OF RAMABHATTA.
Stala Purohit.

2nd Reply

Soobba bhatta states that he cares neither the loss nor the gain regarding the contention of the village. That he has already written through post that he wants no contention what ever. This individual and his cousin (junior brother's son) the aforesaid Soobbarayappah (see 1st reply) possess Jodi Timlapur, Ganjalgunte, Malur, Kadagattur Villages, and Manyem lands in Siddapur.

3rd Reply

Someswara bhatta intimated that he wants no contention regarding the village in question and he cannot contibute. He possesses Jodi Chikkanahalli and Manyem lands in Rantuvalalu.

4th Reply

Chintamani Rao and his younger brother's son Shricantappah are pleaders and are the share-holders. They were asked to come forward and afford help but they say they cannot possibly do anything in anticipation of the village being restored and that as a family member, his (Petitioner's) contention if resulted favorably, they feel gratified and they cannot contribute. These individuals possess Jodi Vasudevanahalli village in Manjerabad Taloak.

5th Reply

The above individuals' junior brother Narasimhaiya being applied to for contribution says that he does not want to fight for his 1 anna share. He is a shekdar of Javagallu in Arsikere Talook, Meansless and supportless member of the family as the Memorialist was after a good deal of toils, he visited the homes of each and every one of the aforesaid members of the family. They saw with their own eyes what privations Petitioner underwent, yet they refused to contribute. The Memorialist therefore throws himself at the mercy of Sreencanteswara (god) and prays that he may dispose of the case as he likes.

The Humble Memorial of Nanjundia, son of Sambia Jodidar of Mallenahalli Maddagiri Taluk, in the District of Tumkur.

MAY IT PLEASE YOUR HIGHNESS.

The Nirup (man date) No. 622 dated 30—6—91 granted from your Highness' throne in reply to the Memorialist's representation dated 16—4—91, soliciting the restoration to him of the aforesaid village which the Government resumed for the arrears of Jodi due there-from, has reached his hands.

Your Highness' observation that survey and settlement having been completed in the village, it will be unjust to the ryots thereof to restore it to the Memorialist.

Aperusal of the accompanying Mahazer from the ryots of the said village, acknowledging "that no injustice will-accrue to them if the village is restored to the Memorialist" and that it may be restored on condition that the lands in the holdings of the ryots may be continued to them permanently.

Along with this village and in one and the same order, Jodi Kamsanahlli and Bairapura were also resumed by Government but they have been restored to their respective owners under Proceedings Nos. $\frac{1482}{206}$ and $\frac{1441}{207}$ after Survey and settlement has been completed. The Proceedings No. 271 dated 11th August 1883, being also a standing order, that should be acted upto.

The Memorialist lost his father in his tender years and as already submitted he was spoiled of all his properties. The co-sharers in saving their respective personal properties which other villages contained, deprived the Memorialist even of this little he possessed in Mallenahalli Jodi. The Memorialist being thus brought to a very precarious condition applied to them for help but their replies have already been submitted for consideration.

Including the revenue collections for Virodhi upto 31st October 1890 the arrears of Jodi yet due to Government is Rs. 573—10—11 and upto the end of March 1891. deducting the current years Jodi the Patel and Shanbhog's Potgi (allowance) and 5 months interest for the aforesaid balance, there will be left a balance of Rs. 231—2—11 which being set off towards the arrears, a clear balance of Rs.342—8—0 will be due to Government. This sum will at once be paid to Government and the current year's Jodi also remitted by instalment.

The Memorialist's ancestors owned a garden, wells, reservoir, tanks and lands below and round about them in the village. These are at present held by ryots on candayem tenure. The Memorialist prays that the village may be restored to them on condition that he continues them to the ryots. The Memorialist has no other means of livelihood. He suffered immense hardships and privations in following Your Highness' camps to obtain justice at your Royal hands. Being the direct descendant of the donee, he prays that the entire village may be restored to him under a grant of Your Highness sign Manual.

It is Godly to protect the rights of the poor and helpless. Your Highness, as the representative of that heavenly Ruler may be inclined to guard the Memorialist's just and equitable rights and restore the village to him that he may pray for the prosperity and welfare of Your Highness family and the blessed issues. The gift granted in time of yore, may be renewed to the Memorialist by your Gracious Highness on the occasion of the ensuing Moon's Eclipse, and the merit or the renown thereof may rown Your Highness acts of justice and public good.

of Wards, and it passed a
decree under the Rules of
Civil Procedure in accord-
ance with a Razinama
filed by the parties. We
have to gather the terms
of the Razinama from
the Judgment and decree

of the Court, as the Record seems appears to have been destroyed under the Rules then in force for the destruction of unimportant papers in Judicial records, and it will be seen from the Judgment that the Court merely directed that the mortgagee should have the usufruct of the village for a period of 18 years in and towards the satisfaction of the debt due to him. Assuming that, as between the Petitioner and the mortgagee, the latter was bound to pay the Revenue in respect of the share of the village which belonged to the former, such an arrangement between the parties cannot

(1244 35

affect the right of the Govern-
ment to proceed against
the village to recover arrears
of Revenue due on it.
It can only give the Petitioner
a claim for damages against
the mortgagee.

3. The Petitioners Father held,
it seems, a 3½ anna share
in the village and he and
the others, who held the village
jointly with him, allowed
the Revenue in respect of it
to fall into arrears. In 1879
it amounted to Rs 964-10-8,
and two of the holders of the
village expressed their
inability to pay the arrears
and relinquished the village.
The Deputy Commissioner
thereupon treated that partial relinquish-
ment of a village jointly
held could not be accepted

accepted but that further
time for payment of the arrears due
for the famine years of
1876-77 and 1877-78 would
be granted if the amount
due for the two subsequent
years 1878-79 & 1879-80
were paid. Nevertheless
no portion of the arrears of
Revenue ~~was~~ was paid
and on the 2nd August 1880
the Deputy Commissioner
granted time till the following
December for payment of the
sums due for 1876-77 & 1877-78
and demanded payment
of the remainder. But
the default nevertheless
continued and the Dy
Commissioner was obliged
finally to order the sale of
the village; which was
held on the 15th October 1880,
after every endeavour

to arrive at a settlement with the owners had failed. There were no bids at the sale, and the village was knocked down to the Government, the arrears due being written off the accounts. Vide the Chief Commissioner's Progs No 6200-1/1091 dated 22nd January 1331.

4. The instances of the villages of Kannankally and Thiruvapura similarly resumed but subsequently restored, which the Petitioner cites as precedents, are not applicable to his case, for within a few months of the order for resumption and before actual effect had been given to that order, these villages were

ordered to be restored)
on the owners offering
to pay the arrears in full.
In the present case the
order of resumption was
dated 22nd Jany 1851 and the
first application for its
restoration was dated 13th May
1890. After so great a lapse of
time the Government of
His Highness deemed it
undesirable to restore the
village. The gist of the
memorialists' contention
is that the Government of
His Highness did not do him
the favour of restoration
for which he was an
applicant: There is in-
volved in the case no question
of right.

C³ NOTIFICATION BY THE CHIEF COMMISSIONER.

Sec 16 Proceedure when a portion of an Inam having more than one share is relinquished.

No. 8996—44, *dated Bangalore,* 17*th January* 1878.

It is provided in the foot note to sec V of the Survey Rules published under Notification No. 89 dated 26th May 1869, that the omission to pay a portion of the Jodi involves a forfeiture of the tenure, but so long as the portion payable on a resigned share is paid by the holders of the remaining shares, it is unnecessary to insist on forfeiture. The Chief Commissioner considers it nothing but fair that while a co-sharer is held liable for a proportionate amount of Jodi or quit-rent due by his other co-sharers, the former should have the option of retaining for himself the portions of the Inam resigned by the latter. Mr Saunders accordingly directs that the 3rd sharer in the present case be allowed to enjoy the resigned shares on condition of his paying the amount of quit-rent due on the whole Inam.

C⁴ NOTIFICATIOY BY THE DEWAN.

No. 4349-77—55, dated 15th November 1883.

Order—The following Notifications will be published for General information and guidance.

Notification No. 271 dated 15th November 1883.

With a view to prevent the hardship consequent upon the sale of whole Inam villages in satisfaction of arrears of Government revenue due thereupon, the following rules for the recovery of revenue arrears due from whole Inam villages, are sanctioned.

1. Until further orders no Inam village shall be sold for revenue arrears.

2. The Deputy Commissioners shall cause any Inam village in respect of which an arrear is due, to be attached and arrange for its management by the Amildar of the Talook in which it is situated on behalf of the Government.

3. The lands of any village so attached shall revert to Government unaffected by the acts of the Inamdar or any of the sharers as are interested therein so far as the public is concerned, but without any prejudice in other respects to the rights of Individuals.

4. The Deputy Commissioners shall cause a detailed survey and settlement to be introduced into any Inam village attached and taken under Government management under Rule II.

5. The Deputy Commissioners shall be entitled to manage the village attached and to receive all rents and profits accruing therefrom to the exclusion of the Inamdar or any of the sharers thereof, until the Deputy Commissioners restore the said Inamdar to the management thereof.

6. All surplus profits of the village attached, beyond the cost of such attachment and management, including the payment of the current revenue and the cost

of the introduction of a revenue survey shall be applied in defraying the said arrears.

7. The village so attached shall be released from attachment and the management thereof shall be restored to the Inamdar on his making an application to the Deputy Commissioners for that purpose at any time within 12 years from the 1st August next after the attachment, if, at the time such application is made, it shall appear that the arrear has been liquidated, or if the said Inamdar shall be willing to pay the balance, if any, still due by him and shall do so within such period as the Deputy Commissioners may prescribe in that behalf.

8. The Deputy Commissioners shall make over to the Inamdar the surplus Receipts, if any, which have accrued in the year in which his application for restoration of the village is made, after defraying all arrears and costs but such surplus receipts, if any, of previous years shall be at the disposal of Government.

9. If no application be made for the restoration of the village within the said period of 12 years, or if after such application has been made the Inamdar shall fail to pay the balance, if any, still due by him, within the period prescribed by the Deputy Commissioners in this behalf, the said village shall thence forward vest in Government free from all incumbrances created by the Inamdar or any of the sharers or any of his or their predecessors in title or in any wise subsisting as against such Inamdar or any of the sharers, but without prejudice to the rights of the actual occupants of the soil.

10. A Register of Inam villages attached under these Rules shall be kept in the Deputy commissioner's Office, and an extract therefrom submitted to the Devan's Office for Record, with a report showing the circumstances under which the village has been brought under attachment.

11. The above rules shall apply to all attached Inam villages the sale of which has not been confirmed by the Devan upto the date of this order.

To

Sir. T. Seshadri Aiyer Avergall Sogaine
B. A. B. L. K. C. S. S.
Dewan for the Government of Mysore
(Bangalore).

The Humble Petition of Venjumdiah son
of Sambiah Jogedar of Mallenahalli
in Maddagiri.

Most Humbly Sheweth,

That the Petitioner
begs most humbly and respectfully to submit
that in enclosing an English translation
of his stamped Petition dated 8.6.98,
which is yet pending, solicits the restoration
of his Jodi village resumed on account
of the arrears of the Revenue that became
due to Government.

That when the camp
was at Maddagiri, some horsemen, on the
morning of 23rd November 1897, pleased
to hold out hopes of restoring the village
to Petitioner, before all the Ryots of the
Jodi Mallenahalli Village. Relying on their
do, on the virtue of that solemn pledge or
promise, the Ryots do now submit a
Memorial (hereto attached in original
with an English translation), soliciting the
restoration of the village to the Petitioner.

amount of the Chanmage, on the score of the
push of a considerable quantity of the Tank
water dispelying the Pallah. The Amildarees
Estimate to fill in the gap of the bund breached
by the push of water, amounts to about 150 Rs
of which the Ryots' contribution, amounts to
Rs 37-8-0. The ryots of one fraction offer to
pay off this sum to the prejudice of the other
fraction, and the Amildar is at a loss how
to proceed and has therefore quietly put off
the repairs till the end of March next, when
he hopes to be able to judge whether the
Pallah water-supply diminishes by the time
& there is enough of supply to ensure a healthy
growth of the standing crops and whether the
ryots fall back on the Tank water-supply
and utilize the same for the purpose: and then
only, the Amildar thinks, he can arrive at a
correct decision.

That from the time the village
was resumed in 1881, upto date, the Government
has not spent a pie even, towards the
improvement of the village, the Tank or the
Pallah which needed no repairs, nor any
Takavi been advanced to Ryots but the time
offers itself now for the Government to repair
the Tank &c. The Government Estimate is
so low that sound repairs of the Tank & the
Pallah cannot be ensured.

The Petitioners have therefore
undertaken these repairs at a very considerable
expense of Rs 3000, without which, the soundness
and durability cannot be ensured.

That from the time the
village was resumed, the income of the Tank
the

the current interest that were due thereon, the Current Jodi, the Commissions of the Patel and Shanbhogue, the costs of the Survey, have all been fully paid up. The details of the present income are as under: —

	A. K.	Assessments
Dry lands	242-29	203-0-0
Wet lands	72-30	399-4-0
Garden lands	9-2	42-12-0
Water cess	"	12-0-0
Grass lands & Amanaji a		3-10-1
House tax		4-0-0
Mohatarfa		16-8-0
Local Cess		44-13-11
Irrigation cess		3-13-6
Jodi and Inam		3 8-0.
	Total Rs	733-5-6
	Deduct	Rs 463-0-0

Expenditure

The amount of annual Jodi quitrent Local cess and minor Inams and Sundries } Rs 400-0-0 — The net balance Rs 270-5-6

The commissions of Patel and Shanbhogue } 63-0-0

Total 463-0-0

That for the sake of the low income of Rs 270-5-6, it is not worthwhile for the Government to spend Rs 300-0 for the repairs of the Tank. and the ballak if the soundness and durability of the works are to be aimed at. That if the Government should restore to him on the same Jodi tenure as before, he offers to work out the repairs even at a higher estimated cost, without levying the amount of contribution of Chanda or the poor and impoverished ryots.

The Petitioner agrees to allow the ryots of the village their own dayam lands, strictly

Strictly according to the Survey rules; and
to keep them on a par with, allowing them
all the rights and privileges enjoyed by the
in the Government villages.

The Petitioner in conclusion prays
that the entire village may be restored to him
with possession, according to the then Chief
Commissioner's Notification No 8996-44,
and the Inam Rules Sec. 16 of 17 January
1878, and thereby not only save the poor and
innocent Petitioner, but also add a fresh
laurel to the crown of glory, which your
honor has won as the Saviour of the Province.

And the Petitioner as in duty bound
Will ever Pray.

Respectfully Sheweth.

That this was a jodi village
but being in 1881, sold on account
of the arrears of Jodi. The Govt. took
& purchased it. The original proprietor
of the village by name Nanjundiah
Son of Sankiah, is fighting with the
Government these past 12 years for
the restoration of the village to him.
That on the morning of the 23rd Novem-

after due enquiry but that the Dy Commissioner will yet stay in Maddagiri for four days more and if there is more to represent he may be submitted to

2 At present, the sides of the Nallah which rises at the Spring (Talaparige) and runs up from behind the Bijavara Tank are, owing to the rains which fell very heavily during the month, likely to give way and to a distance of a furlong & more, where the silts collect and thereafter is clear. The Spring of the Nallah was in a defective order and is now repaired up. Besides this, the village tank No 9. which is hard by the lands, the Nallah irrigates kept up the lands when the supply from the Nallah failed, was also in a tottering Condition, and during the month it having burst, there was a rush of water over ten acres of lands below the Nallah which was reduced to a mere waste; and unless the immediate repairs of the tank are attended to, the lands below the tank and the Nallah cannot be rendered fruitful. The Amildar of the Taluk estimated the repairs of the tank at Rs 150 viz: filling in the gap burst open at No 9 tank, and

and required all of us to Contribute
a fourth Share of the Amount. Even
granting that these repairs are worth
the Tank is never Secure. The Lands below
the Tank yield a Revenue of Rupees 25 8
and Those below the Nallah Rs. 334.
There is no other dry Land below either
of them that can be brought under wet
Cultivation. We are Poor and Cannot
Contribute. Hence the representation
is below:-

A Sum of 1000 Rs is required
to repair the breached Tank No. 9
and its Sluice by resetting the Stone
retainers and to Construct the
Nallah which runs from the Spring
that the rush of water flowing from the
Sluice might not damage it. Stone re-
taining Walls must at a cost of Rs 500
and in all Rs 1500 for the Tank. The Spring
also requires Sinking and building up
with hand Stones before it is restored at
1000 Rs Cost, and beginning with the Spring
to a distance of about a furlong, to repair
the Same banks on both sides requires
retaining with hand Stones at a cost of
Rs 500 all Rs 1500. Commencing with the
Spring Nallah. The repairs to the Tank
and Nallah cost in all 3000 Rs. Should
this be forthcoming we have agreed to repair
them at once at this cost till the

any one of us paying the one-fourth sha-
Contribution, to Confirm without moles-
tation whatsoever to our holdings to
all the Canalagam lands in our pos-
session according to the Survey Rules
to let the patel and Shanbhog to have
their potgis (Commissions) as per Govt
Rules, and as this proceeding is to the
Satisfaction and Convenience of all
the parties we all Concurrently pray
that the village may as has already
been held out by your Honor while
at Madagiri, be restored with
possession to the said
Nanjundiah.

In the matter of a Memorial addressed to His Highness the Maharaja by Vanjundiah, son of Lambiah of Mallenahally of Nandagiri Taluk, dated 15th April 1891.

His Highness the Maharaja has been pleased to pass the following

Order

There are no grounds for any interference with the orders already passed refusing to cancel the pre-emption in 1881 of Petitioner's share of the Jodi Village of Mallenahalli. The village has since been surveyed and settled & it would be unjust to the Ryots to restore it now in whole or in part to the Petitioner at his co-sharers

H.H. the Maharaja of Mysore

The Humble Petition of Sanjeevaiah,
Son of Sambiah Jodiar of Kattanalli,
Madagiri Taluk residing in Madagiri.

Most Humbly Sheweth,

That Petitioner solicited the
Deputy Commissioner to recommend
the resumption in favor of the revenue
Inam of Kattanalli Village, as all the
requirements due therefrom have been
duly cleared, and that officer in reply
by his Memo of 11th Sept 98, (herewith put in
for ready reference) intimated that the
resumption having taken place and

the Government order no 6200-1/1091 dated 22.8.81, he can pass no order in the matter."

That according to the said order no 6200-1/1091 dated 22.8.81 referred to in the Endorsement, the Government reserved Kankanhally as well as Kandanahally and Bainapoor, and of these, the two latter villages were by order No 306/306 and 307/307 dated 29th August 1881, restored to their respective Jaridars, and the said order (6200-1/1091) is therefore superseded if not rescinded.

2 The Government should have considered a foremost and fair consideration to the terms of the then Tumkur District Judicial Appointments Court's Decree in O.S. No 77 of 1867 dated 31st July 1869. (Copy put up for reading reference) in which the learned Judge impenatively enjoins that the village is the property of the

minor, and ought not to be sold, but reserved and restored to Petitioner after he attained majority, i.e. after 18 years: the debt should in the meantime be discharged out of the profits of the village revenue

That the then Deputy Commissioner under date 12th September 1774 merely instructed the Amildar to keep the village under the Government management till the minor Petitioner became of age, but the Amildar instead of so he was made the Petitioner a medium by selling the village altogether and that the Government should be blind to the Amildar's acts of maladministration is as unjust as unreasonable.

That on the 24th of April 1781 while the Petitioner was trying to recover his possessions to some extent in person, and by pleaders, by Petitions and Appeals, the then Sessions' Judge of

Ashtaprani, respectfully to call Your
and having recently perused
the records of the case, felt fully
convinced of the injustice of the
proceedings, and on his representing
the same, Your Excellency then
held out hopes of restoring the
village to Petitioner, as early
as the records, are received
from H. H. the late lamented
Maha Raja.

That in his Minute no. 622, 23.6.91
the late Maha Raja observed
that the village has since been
Surveyed and settled, and it
would be unjust to the Ryots
to restore it now; and the Petitioner
thereupon obtained a Pharkaz
(hereto annexed) from the Ryots
of the village, who Spontaneously
Signify their combined wish
that if the village be restored
to Petitioner, no injustice will
accrue to them if the lands
in their holdings are continued
to them on Caudagem tenure
under the Survey Rules as here-
-tofore. Hence the prayer

5 That about four miles half
century back, the village
was granted to the Petitioners
a great grand father on
their mother, and the successive
Rulers, one after the other, recognized
him and it with taxes so
as to reduce it gradually
to the level of the land, never
took away the village from
the members of the family
who continue to hold and
enjoy it ever since, and the
Petitioners undertakes to submit
that this Government should
feel it as their bounden
duty to let it remain
in his undisturbed possession
and enjoyment.

That just at the time of
his return from the pilgrimage
to Lathcum Sanctum in the
Sanscrit, Your Excellency
chanced to be in Nadalaim,
and that at about 6.30 p.m.
on the 23.11.97, he paid his
humble respects and personally
represented his grievances to
whom Your Excellency was

directed that the case should be explained to the Deputy Commissioner, but enjoined also that the village will be restored to Petitioner if all the balance due out of the amount of Jodi of the village is found to have been paid up fully.

7 The Government have not incurred the village by imparting rights, nor were they at any expense by making money advances to Ryots, nor have they spent anything whatever for irrigation purposes.

8 The balance due out of the previous years' assessments, interests due thereon, the amount of the current year's Jodi, the poje due to Palal and Shanubogh and the Money expenses are all fully met. The Petitioner in consideration implores your Excellency to be graciously pleased to call for these references and the previous records of the Case, and perusal thereof along with the petition, and after ascertaining due weight to all the facts of the

case as urged herein, the
beautiful Alamelu may be
pleased under the Sun Chief
Commissioner's Notification
and order No 5946 dated
4/41
17-1-78, and see H on the
same Rule, restore the entire
village to the possession and
enjoyment of the Hukkeri
Deshmukh, who is the 8th descendant
from Chitty Bhatta, the
original Grantee, and
thereby gain that merit
which Rieps upon hallowed
and sacred blessed name

(C3 NOTIFICATION BY THE CHIEF COMMISSIONER.

Sec 16 Proceedure when a portion of an Inam having more than one share is relinquished.

No. 8996—44, *dated Bangalore,* 17*th January* 1878.

It is provided in the foot note to sec V of the Survey Rules published under Notification No. 39 dated 26th May 1869, that the omission to pay a portion of the Jodi involves a forfeiture of the tenure, but so long as the portion payable on a resigned share is paid by the holders of the remaining shares, it is unnecessary to insist on forfeiture. The Chief Commissioner considers it nothing but fair that while a co-sharer is held liable for a proportionate amount of Jodi or quit-rent due by his other co-sharers, the former should have the option of retaining for himself the portions of the Inam resigned by the latter. Mr Saunders accordingly directs that the 3rd sharer in the present case be allowed to enjoy the resigned shares on condition of his paying the amount of quit-rent due on the whole Inam.

2. The Deputy Commissioners shall cause any Inam village in respect of which an arrear is due, to be attached and arrange for its management by the Amildar of the Talook in which it is situated on behalf of the Government.

3. The lands of any village so attached shall revert to Government unaffected by the acts of the Inamdar or any of the sharers as are interested therein so far as the public is concerned, but without any prejudice in other respects to the rights of Individuals.

4. The Deputy Commissioners shall cause a detailed survey and settlement to be introduced into any Inam village attached and taken under Government management under Rule II.

5. The Deputy Commissioners shall be entitled to manage the village attached and to receive all rents and profits accruing therefrom to the exclusion of the Inamdar or any of the sharers thereof, until the Deputy Commissioners restore the said Inamdar to the management thereof.
